## UCSF MyChart

We are pleased to offer our patients and their families a patient portal called MyChart. With MyChart, your medical records are only a few clicks away on any web browser or the MyChart Mobile App. With MyChart you can:

- \* Send messages to providers
- \* View test results
- \* Request appointments, and more!

### Can I view my child's health record in MyChart?

Yes you can! This is called proxy access and allows a parent (or guardian) to log in to their personal MyChart account and then connect to information regarding their child.

1. Go to [www.ucsfhealth.org/mychart](http://www.ucsfhealth.org/mychart) and log into your MyChart account. Sign up online under "Create an Account" if you do not have an account.
2. Once you log in, go to "MyChart Proxy Center" under the "Profile" menu. Select the access matching the age of the child, and complete the form.
3. You will receive a MyChart message with instructions on how to access your child's account in 2-3 business days.

For assistance, contact Customer Service by calling 415-514-6000, 24 hours/7 days a week. MyChart is NOT to be used for urgent needs. For medical emergencies, dial **911**.

## Flu Shot Resources

### Where can you get your flu shot?

- Log in to MyChart to schedule appointment online or visit <https://ucsfhealth.org/flu>
- Local pharmacy (call ahead to confirm availability)
- Contact your Health Plan for covered flu shot providers within your network.

## Additional Instructions

### Test Results in MyChart

Most test results are available for viewing in MyChart as soon as they're finalized. You can access these results anytime. We'll notify you of new results once a day between 8 and 9 a.m., Monday through Friday (excluding holidays). To change your notifications from once daily to immediate:

1. Log in to MyChart at [ucsfhealth.org/mychart](https://ucsfhealth.org/mychart) and go to Menu > [Communication Preferences](#).
2. Click on MyChart Health Notifications to expand that section.
3. Under Test Result, uncheck the box that says, "One daily notification" and click the green Save button.

For help, call UCSF MyChart Customer Service at (415) 514-6000.

Please note, you may see your results in MyChart before your doctor has had a chance to review them. Please allow 3 business days for your doctor to communicate with you about these results.
